FLOOR DEBATE

March 20, 2001

Legislature, the Committee on Agriculture is pleased to report favorably upon the appointments. Their confirmation hearing was held last week. The appointment is for the Climate Assessment Response Committee, and the three people we heard were John Erickson, Roger Lempke, and Donald Wilhite, and I urge your support of that confirmation.

SENATOR CUDABACK: Open for discussion on the second part of the Agriculture Committee confirmation report? Seeing none, Senator Dierks.

SENATOR DIERKS: I just urge your support in favor.

SENATOR CUDABACK: The question before the body is the second part of the confirmation report from the Ag Committee. All in favor of that vote aye, opposed nay. Have you all voted who care to? Record, please, Mr. Clerk.

CLERK: (Record vote, Legislative Journal page 1113.) 29 ayes, 0 nays, Mr. President, on the adoption of the Agriculture Committee confirmation report.

SENATOR CUDABACK: Report is adopted. Mr. Clerk, next item.

CLERK: Mr. President, the next report offered by the Transportation Committee, Transportation and Telecommunications Committee, found on page 1072 of the Journal.

SENATOR CUDABACK: Senator Bromm, as Chairman of the Transportation and Telecommunications Committee, you're recognized to open on your confirmation report.

SENATOR BROMM: Thank you, Mr. President. The Transportation and Telecommunications Committee wishes to report to the Legislature that we've acted favorably upon the proposed appointment of Jess Hull to the Motor Vehicle Industry Licensing Board. Mr. Hull has had experience in the industry, having been employed and also being in ownership capacity in three or four different dealerships, as I recall. There were no opponents at the hearing, no opposition expressed, and the vote of the Transportation and Telecommunications Committee was...was
